Working with Community

Introduction

The aim of the entire pre service teacher education programme is to produce quality teachers equipped with pedagogical skills, firm determination and commitments towards teaching profession. The curriculum of Teacher Education programmes in our Institute is of vital importance and working with community programme is an integrated part of that curriculum because through this programme the pre service teachers of various graduate courses of our Institute get exposure to work with community in true spirit and learn all essential skills which are required to become a quality teacher. The recently released NEP 2020 has emphatically recommended community participation in the Schools because with the help of community participation, necessary and desired changes may be brought in the system of education as per the need of society and a teacher may be produce which bring those changes. Hence keeping in view the recommendations of NEP 2020 for community participation, the Institute has offers working with community programme for all graduate courses such as B.Ed. I Year, B.A. B.Ed. II Year and B.Sc. B.Ed. II Year. The institute offers 'Working with community programme' with an aim to provide a platform to students wherein they can demonstrate the activities for establishing a link with community, interaction with community stakeholders (parents, SMC/SDMC, villagers) along with teachers and students and to make them aware about the various government schemes in the field of education.

Course Learning Outcome:

- To make the prospective teachers aware about meaningful relationship between community and education.
- To study the Social, economic, cultural and educational pattern/status of the village.
- To develop the spirit of national integration, communal harmony and feeling of brotherhood among the prospective teachers.
- To make the prospective teachers acquainted with the system of inclusions in the classrooms.
- To make the prospective teachers aware about various educational programmes and schemes run by central government in the rural areas.
